Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Fully UPDATED for 2019 and the NEW TAX LAW. Mark Orr has been a practicing Certified Financial Planner (CFP) since July 2000 and earned the RICP designation (Retirement Income Certified Professional) in 2017. He has been building easy-to-understand, written retirement income plans for clients across the USA. It is from that long and varied professional experience that formed the seeds of his 2nd book. It's written for people who are within 10 years of retirement or are already retired and looking for a better "plan." With lots of educational retirement planning information spread throughout the book, it culminates into three example client lifetime income plans that show how combining Social Security, any pensions, investments and insurance can help you enjoy an increasing lifelong income while reducing the top five retirement risks. Those top five retirement risks, that too few people are actually planning ahead for are: living too long, inflation, stock and bond market risks, rising health care costs and the likelihood of higher taxes. World famous speaker and motivator, Tony Robbins and author of the best-selling 689-page book, "MONEY Master the Game" among other topics, stresses the importance of "setting up a lifetime income plan." In this book he makes a great statement about retirement: "Income. is the outcome that matters." Tony is 100% correct. The premise in Mr. Orr's book is "It's really all about creating a dependable and increasing lifetime monthly cash-flow that gives one true financial freedom and peace of mind in during what will likely be a 30-year retirement. Rather than "Asset Allocation" that most planners talk about, he devotes the bulk of his practice (and writing) to "Income Allocation" and "Strategy Allocation." These can dramatically reduce the 5 top...
